K-12 Electronic Instructional Resources

In addition to the e-resources that are included with our adopted print materials, these electronic programs have been approved for use.

Content Area(s)	Grade Level(s)	Resource	Vendor	Description
Mathematics	3-12	ALEKS - Assessment and Learning in Knowledge Spaces	ALEKS Corporation	Assessment and LEarning in Knowledge Spaces is a Web-based, artificially intelligent assessment and learning system. ALEKS uses adaptive questioning to quickly and accurately determine exactly what a student knows and doesn't know in a course.
Mathematics	K-5	ST Math	Mind Research Institute	Based on neuroscience and education research, it is a visual approach through innovative instructional software. It engages the learner's spatial temporal reasoning abilities to explain, understand, and solve multi-step problems.
Mathematics	TK-5	Dream Box	Dream Box Learning	An adaptive mathematics learning program designed to meet the needs of different learners and help them acquire skills and mathematical practices.
ELA/Science	K-5	RAZ-Kids, Reading A-Z, Writing A-Z, Vocab A-Z, Science A-Z	Learning A-Z	Spanning three key content areas — <b>Reading, Writing, and Science</b> — Learning A-Z's websites deliver leveled books, printable worksheets, projectable activities, and interactive online classroom resources. The teacher and student resources help teachers differentiate their instruction.
ELA	PreK-3	Footsteps 2 Brilliance	Footsteps to Brilliance	Academic Language Program for Students (ALPS) consists of 18 beautifully illustrated and animated eBooks written by master teachers, along with over 200 educational games, including Book Buddies, Word Wall, Mighty Matches and Create-a-Book. The content of our eBooks have been aligned to the most important academic vocabulary and concepts for early learners.

Mathematics	K-2	Aha! Math	Learning.com	Aha!Math's curriculum units focus on key foundational math concepts, provide opportunities to build conceptual understanding and procedural fluency, discovery and analytical skills, and cultivate student's creative problem-solving and 21st century skills. Aha!Math improves student achievement in math by providing engaging instructional content and activities, assessments, progress monitoring tools and data-driven learning plans to guide effective instruction.
ELA/Math/HSS/ Science/Health/PE	9-12	CyberHigh online courses	California PASS Program	Cyber High is an online curriculum that assists our Migrant students in earning credits toward high school graduation. Cyber High integrates educational principles and contemporary pedagogy with technology to provide students with experiences and resources not always available in a traditional classroom setting.
Foreign Language	6-12	Rosetta Stone	RosettaStone.com	Online language learning software used for high school Spanish, migrant education and English Learner parent classes.
Coding	5	Hour of Code	Code.org	Introduction to computer coding.
21st Century Skills	K-8	Easy Tech	Learning.com	EasyTech provides comprehensive, scoped and sequenced lessons that incorporate 21st century skills and technology skills into the teacher's own curriculum.
Digital Citizenship	K-12	Digital Literacy & Citizenship	Common Sense Media	Digital Literacy and Citizenship Curriculum empowers students to think critically, behave safely, and participate responsibly in our digital world. There are 80 lessons in the full K-12 curriculum.
Keyboarding	K-12	Typing Agent	Typingagent.com	Online typing program teaches keyboarding skills.
Reference	K-5	Grolier Online	Scholastic	Online reference materials including Grolier Multimedia Encyclopedia, The New Book of Knowledge, and America the Beautiful. This is a comprehensive source of non-fiction content which contains articlescorrelated to national and state standards, editor-vetted Weblinks; and world newspapers in 73 languages, representing 195 countries.
reference	K-12	BrainPop	BrainPop.com	BrainPOP® creates animated, curricular content that engages students, supports educators, and bolsters achievement.

Reference	6-8	GALE Jr. Reference Collection	Cengage Learning	Targeted for middle and high school, students are able to access a variety of resources that will help them conduct research, complete assignments, create presentations and more, with content and curriculum-focused tools that include hundreds of primary documents, multimedia content that includes video and audio clips and research tools and a research guide that tie information literacy skills to use of the database.
Reference	9-12	Ebsco Host	Ebsco Publishing	Targeted for high school, a complete online information resource which includes research and reference databases such as Advanced Placement Source, ERIC, Health Source, History Reference Center, World and US Geography and the English Language Learner Reference Center, among others.
Reference	TK-12	Discovery Streaming	Discovery Education	A subscription to a collection of videos to support content in the classroom.
ELA, ELD, ELL, ESL	K-5	Starfall	Starfall Education	Starfall.com is a free public service to teach children to read with phonics. The systematic phonics approach, in conjunction with phonemic awareness practice, is perfect for preschool, kindergarten, first grade, special education, homeschool, and English language development (ELD, ELL, ESL). It is an educational alternative to other entertainment choices for children.
ELA/Math/Social Studies/Science	K-5	Front Row	Front Row	Lessons in 4 content areas. The free version is approved for use.
Technology	K-5	Google Suite for Education	Google	Students will use this website to publish writing in all subject areas. They will also learn to create presentations. Forms will be used to collect information and the spreadsheet program will be used to analyze data. Each student has their own account and password.

Technology	K-5	Skype	Skype	Skype is used to connect with others on a global scale. We use this video phone call service to speak to experts, other classrooms, and anyone else we may be reaching out to. Students never Skype by themselves and it is always facilitated by us.
Technology	K-12	Go Animate	Go Animate	Tool to create videos safely and securely for schools.
