School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

It is the mission of Bowers Elementary School to educate and empower the Bowers community to become lifelong learners who positively impact the world. Our vision is simple and inclusive of all students, staff, and community members: Achieve. Belong. Contribute.

We have a student body of approximately 275 ethnically, socially, and academically diverse students in grades K-5. In addition, Bowers has four Specialized Academic Instruction (SAI) Preschool Classrooms serving approximately 50 students. Three State Preschool classrooms and an Infant/Toddler program serving children from six weeks to four years of age are also on-site. These two programs serve an additional 80-100 children.

Our staff includes 13 full time and part-time classroom teachers K-5, four SAI Preschool teachers, 2 part-time SEAL (Sobrato Early Academic Language) Coaches, 2 Literacy Intervention Teachers, 1 P.E. teacher and 1 P.E. paraeducator, 1.5 Speech and Language Pathologists, 1 SAI Resource teacher, 9 SAI paraeducators, 1 SAI student attendant, 1 part-time library media specialist, 1 part-time psychologist, 1 clerk, 1 secretary, 1 ELSAT, 1, health clerk, 1 cafeteria manager, 1 cafeteria assistant, 2 part-time counseling interns, 1 part-time wellness coordinator, 1 day and 1 night custodian. A nurse visits campus one day per week.

Bowers School is committed to school-wide interventions to ensure early literacy success as well as English Language Development. We offer small group Kindergarten instruction with an additional credentialed teacher to assist struggling students. Students in grades 1-5 are also provided literacy support daily by both classroom teachers and our two Literacy Intervention Teachers. Reading Recovery 1:1 instruction is offered to our most at-risk first grade readers to accelerate their learning in 16-20 weeks. Bowers is a SEAL school focused on rigorous academic language taught thematically through the content areas of Science and Social Studies. We also offer garden and sustainability education in our outdoor classroom and school garden which supports our school-wide composting and farm to table culinary experiences for students. Bowers School also provides instruction and opportunities in the visual and performing arts. We also offer choral music instruction for all students with a culmination performance at the end of instruction.

We believe that:

- All students deserve equal access to the core curriculum and have the innate desire to learn
- A safe, secure learning environment fosters independent thinkers, lifelong learners, and content students
- Kindness, respect, and responsibility are essential as we work, learn, grow and play together
- Home-school collaboration is essential in order to guarantee student success.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

General

Santa Clara Unified School District (SCUSD) takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, SCUSD uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available by request made to the SCUSD's Facilities department at (408) 423-2061.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Maintenance and Repair

SCUSD maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The governing board has adopted cleaning standards for all schools in SCUSD, Board Policy 3514. The policy can be found online at www.santaclarausd.org/BoardPolicies. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance

SCUSD participates in the State School Deferred Maintenance Program to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

Modernization Projects

SCUSD strives to be a model of financial responsibility, making every effort to spend taxpayer dollars wisely. At the same time, ongoing bond programs are necessary in a district this large, with so many students, teachers, and facilities needs. Bond funds allow the District to maintain safe, modern school facilities and bring in updated technology essential to student achievement. Measure B 1997 improvements included new elementary school play structures, new high school science classrooms and outdoor athletic facilities, the major renovation of eleven elementary schools, an ambitious roof replacement program, and two high school performing arts buildings. Measure J 2004 generated funds to modernize buildings and classrooms for middle schools, high schools, and the adult education campus. Measure H 2010 upgraded fire, safety and security systems, renovated and reopened a closed elementary school, installed solar panels to decrease energy costs, purchased the Agnews campus property, and expanded overcrowded schools. Measure H 2014 funds construction of three new schools on the Agnews campus, expands overcrowded schools, and addresses critical facility needs such as replacing roofs and adding air conditioning to elementary school classrooms. Measure BB 2018 funds the construction of three new schools, reconstructs fields, replaces aging play structures and playground paving, adds shade structures, and upgrades fencing and gates, among many other crucial projects. Age of School Buildings

The main campus of Bowers School was built in 1957 and 1959. Additions were made in 1961 and portables added in 1997 for class size reduction. This school has 30 classrooms, including a professional development room, two computer labs, a multipurpose room, a library and an administration building.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: June 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	37	N/A	52	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

As a SEAL school, parents are invited to Bowers at the end of each unit (six times per year) to participate in a classroom Gallery Walk which allows students to share their learning with their families. SEAL also provides three parent workshops each year focused on supporting student learning at home.

The Bowers PTA is an enthusiastic group of parents who support the goals, objectives, and needs of the students and staff while offering a variety of volunteer opportunities to parents. The PTA supports movie nights, community playdates, school book fairs, yearbook, and our annual school walkathon. In addition to working in the classrooms, parents may help in the office, at school events, with fundraising, and in preparing materials for the teachers and staff. The PTA also supports our Watch D.O.G.S. (Dads of Great Students) program which specifically encourages fathers and father figures to volunteer at school at least once annually.

Visitors to the Bowers campus often comment about what a nice feel our school maintains, highlighted by a dedicated and friendly staff, active parents and grandparents, and respectful and happy students. We believe that the students at Bowers School take pride in their school and take full advantage of the many academic, social, and enrichment opportunities available to them.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.4	1.0	2.9	3.4	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.0	N/A
Expulsions	0.0	0.0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

All California public schools kindergarten and grades one through twelve must develop a comprehensive school safety plan, per California Education Code sections 32280-32289. School safety plans assess school climate and safety, identifying goals and actions to improve safety and climate. The safety plan is written and developed with collaboration from students, parents, community, and law enforcement. It is reviewed and updated annually with the School Site Council (SSC).

We are committed to providing a safe, responsible and respectful school environment for all students, staff, and community. We support and promote building a sense of community and belonging where every child feels included and valued, teaching children positive social skills and attitudes including resolving conflicts without violence, and preparing for and responding appropriately to emergencies and disasters to keep children safe.

The school safety plan is available for review in the school office and was approved by the School Site Council in 2020.

Types of Services Funded (Fiscal Year 2019-2020)

Bowers Elementary School receives the following funding:

- Title I - to ensure that all children have a fair, equal, and significant opportunity to obtain a high quality education, and reach minimum proficiency on the state content standards and assessments.
- Targeted Funds - to help educationally disadvantaged students, English Learners, Migrant, and Foster Youth to succeed in the regular education program.

These funding sources support our Literacy Intervention Teacher(s), additional support staff, counseling time, garden education, professional development for teachers, and SEAL related materials.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	4	3

Staff development activities and expenditures are tied to district and school goals including the SPSA, WASC, LCAP, and District Strategic Plan. Staff development time continues to support teachers in self-reflection, analysis of student achievement data, and collaboration activities designed to help reach achievement goals. We believe in modeling lifelong learning for our students by engaging in collaborative sessions and professional development opportunities that align with the school's School Plan for Student Achievement (SPSA) goals and support student achievement in content standards and Expected Schoolwide Learning Results (ESLRs). District and school staff development programs support meeting the academic, social, and emotional needs of all students by providing opportunities for teachers to advance their skills, develop teaching strategies, and create curriculum. During staff in-service days, teachers share information about instructional practices, cognitive development and learning disabilities, and best practices for English Language Learners. These presentations and workshops help us understand who our students are so we can better support them with individual counseling, curriculum design, and instructional practices.

There are three days dedicated to districtwide professional development in the 2020-2021 school year. There were four days of professional development in the 2019-2020 school year, and five days in the 2018-2019 school year. In addition, there is professional development happening on the school campus through professional learning communities, where teachers meet to discuss best practices while assessing student work.
