

Sutter Elementary School

School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About This School

School Contact Information (School Year 2020-2021)

Entity	Contact Information
School Name	Sutter Elementary School
Street	3200 Forbes Avenue
City, State, Zip	Santa Clara CA, 95051
Phone Number	(408) 423-4200
Principal	Michael Fong
Email Address	mfong@scusd.net

School Description and Mission Statement (School Year 2020-2021)

John Sutter Elementary School is located on the southern border of the Santa Clara Unified School District. Sutter occupies a 10.7 acre site originally owned by the Woodhams family in 1850. The school was constructed in 1959. Single-family homes make up approximately three-fourths of the dwellings in the attendance area, and most of the students live in the surrounding neighborhoods. The classrooms, the office, and the multipurpose room were modernized in the summer of 2003. Sutter enjoys students who come from many cultural backgrounds and speak many languages. Sutter School is the designated center for the District's Visually Impaired Program. We provide weekly instruction in our computer lab and science lab. We are experiencing an increase in the mobility rate of our students. Sutter is one of seventeen elementary schools in Santa Clara Unified School District. Sutter is very fortunate to have a very strong PTA that supports the educational needs and goals of the school. Some of the ways that the PTA supports the school are underwriting educational field trips and assemblies, sponsoring multiple book fairs, providing family nights, and providing many volunteer hours to all school activities. Our belief is that volunteers can make a significant difference in a child's life. A strong parent volunteer group ensures an even richer educational experience for our students.

Sutter School offers many programs to facilitate the learning of students at-risk. Primary Intervention Program (PIP), originally funded by a grant from the Early Mental Health Initiative and now funded by the site, helps primary age children adjust to the school environment and learn effective coping skills. The Sutter PIP program provides students a relationship with a caring adult and one-to-one structured attention for a twelve-week series. Through our special education department, we provide speech and language therapy, resource and special day services, and instruction to the visually impaired. Counseling services are funded both by the district and the site. An after school Homework Club is also offered by parent volunteers when possible.

The mission of Sutter School is to provide an educational program that consists of high academic and behavioral standards with clear expectations for all. We strive to promote a welcoming, safe, and caring environment where collaboration and parent involvement is valued. The staff believes the following:

- All children should be provided with opportunities to learn.
- All students deserve respect and equal access to education.
- All students should be prepared for future education with lifelong learning skills.
- A partnership is essential between school, parents and community.
- Students should be responsible for their actions and behavior.

Sutter School fosters independent, socially conscious, lifelong learners. Sutter School utilizes PBIS (Positive Behavior Intervention and Support) to reinforce essential tools needed for students to achieve the district's lifelong learning standards. These skills include effort, caring, motivation, perseverance, teamwork, problem solving, confidence, responsibility, initiative, and common sense. All classes utilize the "3 B's - Be respectful, Be responsible, and Be safe." The PBIS Leadership Team which consists of teachers, administration, and school community make a school and classroom behavior matrix which is posted all over campus. Then the PBIS leadership team teach the matrix to all students and support staff throughout the school year. The PBIS leadership team reviews data on student behavior monthly to assist teachers on how to support students.

The lessons taught enable students to utilize lifelong learning skills while participating in classroom meetings or when interacting with buddies in a cross-age reading program.

Santa Clara Unified School District and Sutter Elementary School have a partnership with Code To The Future, the nation's leading computer science program for magnet and theme-based schools. Students at Sutter Elementary School learn the fundamentals of computer coding as part of their daily curriculum. Through 21st Century literacy, students will develop critical thinking, creativity, communication, and collaboration skills.

The partnership allows teachers to engage students in block and text-based coding activities to enhance their educational experiences through computer science. Students will have another avenue to apply problem-solving, team building, and presentation skills as they collaborate and share their thinking process with peers. This is another district commitment to computer science programming as the State of California rolls out the new computer science standards.

Sutter is one of two computer science immersion schools in the Santa Clara Unified District. Sutter Elementary School will continue to offer the same, outstanding instruction in reading, writing, math, science, social studies, music, and physical education, all of which are foundational content to these campuses. Coding will be an exciting, integrated enhancement to the excellent learning already taking place at these schools.

Current research on teaching and learning indicates that a focus on content level standards is the key to successful instruction and learning. The staff participates in frequent staff meetings, regular site grade-level planning sessions, and staff development relating to the standards and effective instruction. Teachers work with specialists and each other to improve instructional practices. All of our teachers are CLAD certified or enabling them to meet the needs of our English learner population.

Instruction and activities are differentiated to meet the needs of students who are diverse in their ethnic, socioeconomic backgrounds, school experience, ability and achievement levels, and unique learning styles. A focus on the multiple intelligences ensures that students have daily opportunities to learn in a variety of ways.

Collaboration occurs throughout a variety of meetings with staff and our community. Site level meetings include leadership team, school site council, and PTA. Staff members collaborate informally in the staff room and in classrooms frequently. They meet with each other and the principal to discuss current needs and concerns. A Student Success Team (SST) meets on a weekly basis to strategize action plans for at-risk students. Teachers conference with all parents in the fall and with parents of at-risk students in the spring. Conferences are held on an as-needed basis throughout the year. A fall Academic Assistance Plan (AAP) guides staff and parents in regarding strategies to improve the achievement of students performing below standard on standardized and performance-based assessments. Bimonthly school and PTA newsletters, frequent staff meetings, memos and staff calendar, and Parent Handbook/Calendar which is provided in August inform the community and staff of events and information about the school. More specific information regarding individual classrooms is provided in classroom newsletters.

Student Enrollment by Grade Level (School Year 2019-2020)

Grade Level	Number of Students
Kindergarten	89
Grade 1	73
Grade 2	72
Grade 3	66
Grade 4	66
Grade 5	63
Total Enrollment	429

Student Enrollment by Student Group (School Year 2019-2020)

Student Group	Percent of Total Enrollment
Black or African American	0.5
American Indian or Alaska Native	0.7
Asian	34.5
Filipino	2.6
Hispanic or Latino	17.9
White	33.8
Two or More Races	8.4
Socioeconomically Disadvantaged	15.9
English Learners	18.6
Students with Disabilities	13.1
Homeless	0.5

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	28	28	29	941
Without Full Credential	0	0	0	7
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: December 2020

All textbooks and materials were adopted by the board of trustees in 2020 and are current, in good condition, and available to all students. A full list of core and supplemental textbooks and materials can be found on the district website at: www.santaclarausd.org/InstructionalResources.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	www.santaclarausd.org/InstructionalResources Board adopted: October 2020	Yes	0
Mathematics	www.santaclarausd.org/InstructionalResources Board adopted: October 2020	Yes	0
Science	www.santaclarausd.org/InstructionalResources Board adopted: October 2020	Yes	0

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

Foreign Language	www.santaclarausd.org/InstructionalResources Board adopted: October 2020	Yes	0
Health	www.santaclarausd.org/InstructionalResources Board adopted: October 2020	Yes	0
Visual and Performing Arts	www.santaclarausd.org/InstructionalResources Board adopted: October 2020	Yes	0
Science Laboratory Equipment (grades 9-12)	www.santaclarausd.org/InstructionalResources Board adopted: October 2020	Yes	0

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements

General

Santa Clara Unified School District (SCUSD) takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, SCUSD uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available by request made to the SCUSD's Facilities department at (408) 423-2061.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Maintenance and Repair

SCUSD maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The governing board has adopted cleaning standards for all schools in SCUSD, Board Policy 3514. The policy can be found online at www.santaclarausd.org/BoardPolicies. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance

SCUSD participates in the State School Deferred Maintenance Program to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

Modernization Projects

SCUSD strives to be a model of financial responsibility, making every effort to spend taxpayer dollars wisely. At the same time, ongoing bond programs are necessary in a district this large, with so many students, teachers, and facilities needs. Bond funds allow the District to maintain safe, modern school facilities and bring in updated technology essential to student achievement. Measure B 1997 improvements included new elementary school play structures, new high school science classrooms and outdoor athletic facilities, the major renovation of eleven elementary schools, an ambitious roof replacement program, and two high school performing arts buildings. Measure J 2004 generated funds to modernize buildings and classrooms for middle schools, high schools, and the adult education campus. Measure H 2010 upgraded fire, safety and security systems, renovated and reopened a closed elementary school, installed solar panels to decrease energy costs, purchased the Agnews campus property, and expanded overcrowded schools. Measure H 2014 funds construction of three new schools on the Agnews campus, expands overcrowded schools, and addresses critical facility needs such as replacing roofs and adding air conditioning to elementary school classrooms. Measure BB 2018 funds the construction of three new schools, reconstructs fields, replaces aging play structures and playground paving, adds shade structures, and upgrades fencing and gates, among many other crucial projects. More: www.santaclarausd.org/bond

Age of School Buildings

The main Sutter campus was built in 1959 and 1960. Additions were made in 1964. Portables were added in 1998 for class size reduction. There are 24 classrooms, a multipurpose room, a library/media center, and an administration building. The school was modernized in the summer of 2003. In 2010, a 60 x 20 foot shade structure was constructed for students' comfort during recesses and lunch. The project was approved by the District Office and the Division of the State Architect (DSA).

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: June 2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Any necessary remediation was minor and addressed immediately or during routine maintenance over the summer 2020 break.
Interior: Interior Surfaces	Good	Any necessary remediation was minor and addressed immediately or during routine maintenance over the summer 2020 break.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Any necessary remediation was minor and addressed immediately or during routine maintenance over the summer 2020 break.
Electrical: Electrical	Good	Any necessary remediation was minor and addressed immediately or during routine maintenance over the summer 2020 break.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	Any necessary remediation was minor and addressed immediately or during routine maintenance over the summer 2020 break.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Safety: Fire Safety, Hazardous Materials	Good	Any necessary remediation was minor and addressed immediately or during routine maintenance over the summer 2020 break.
Structural: Structural Damage, Roofs	Good	Any necessary remediation was minor and addressed immediately or during routine maintenance over the summer 2020 break.
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	Any necessary remediation was minor and addressed immediately or during routine maintenance over the summer 2020 break.
Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	72	N/A	62	N/A	50	N/A
Mathematics (grades 3-8 and 11)	63	N/A	52	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2019-2020)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	N/A	N/A	N/A	N/A	N/A
Male	N/A	N/A	N/A	N/A	N/A

Homeless	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and High School
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
Science (grades 5, 8 and high school)	51	N/A	39	N/A	30	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019-2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Sutter Elementary School encourages parental involvement. Parents have a wide variety of opportunities to participate in our school community. A supportive PTA and School Site Council, composed of parents, teachers, staff and administrators, are integral parts of the Sutter community. PTA runs many family events and parents are always welcome in the classrooms through coordination with the teachers. Parent volunteers play a vital role in helping organize school events such as Walk-A- Thon, Sutterfest, Frog Jump, school book fairs, Art Explosion, Red Ribbon Week, etc. They also serve as chaperones on our many field trips. Our belief is that volunteers can make a significant difference in a child's life; a strong parent volunteer group will ensure an even richer educational experience for our students.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	2.9	3.4	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.0	N/A
Expulsions	0.0	0.0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

All California public schools kindergarten and grades one through twelve must develop a comprehensive school safety plan, per California Education Code sections 32280-32289. School safety plans assess school climate and safety, identifying goals and actions to improve safety and climate. The safety plan is written and developed with collaboration from students, parents, community, and law enforcement. It is reviewed and updated annually with the School Site Council (SSC).

We are committed to providing a safe, responsible and respectful school environment for all students, staff, and community. We support and promote building a sense of community and belonging where every child feels included and valued, teaching children positive social skills and attitudes including resolving conflicts without violence, and preparing for and responding appropriately to emergencies and disasters to keep children safe.

The school safety plan is available for review in the school office and was approved by the School Site Council in 2020.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2017-18	2017-18	2017-18	2017-18	2018-19	2018-19	2018-19	2018-19	2019-20	2019-20	2019-20	2019-20
	Average Class Size	# of Classes* Size 1-20	# of Classes* Size 21-32	# of Classes* Size 33+	Average Class Size	# of Classes* Size 1-20	# of Classes* Size 21-32	# of Classes* Size 33+	Average Class Size	# of Classes* Size 1-20	# of Classes* Size 21-32	# of Classes* Size 33+
K	18	3	3		19	2	3		18	2	3	
1	23		3		27		3		24		3	
2	21	1	2		24		3		24		3	
3	23		3		21	1	2		29		2	1
4	29		2		17	1	2		36		1	1
5	27		3		24	1	3		37		1	1
Other**	12	1							16	1	1	

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

** "Other" category is for multi-grade level classes.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselors*	0

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2019-2020)

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	5

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2018-2019)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$3,346	\$1,877	\$1,470	109949
District	N/A	N/A	8099	\$111,914
Percent Difference - School Site and District	N/A	N/A	-138.6	-1.8
State	N/A	N/A	\$7,750	\$84,577
Percent Difference - School Site and State	N/A	N/A	-136.2	26.1

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	4	3

Staff development activities and expenditures are tied to district and school goals including the SPSA, WASC, LCAP, and District Strategic Plan. Staff development time continues to support teachers in self-reflection, analysis of student achievement data, and collaboration activities designed to help reach achievement goals. We believe in modeling lifelong learning for our students by engaging in collaborative sessions and professional development opportunities that align with the school's School Plan for Student Achievement (SPSA) goals and support student achievement in content standards and Expected Schoolwide Learning Results (ESLRs). District and school staff development programs support meeting the academic, social, and emotional needs of all students by providing opportunities for teachers to advance their skills, develop teaching strategies, and create curriculum. During staff in-service days, teachers share information about instructional practices, cognitive development and learning disabilities, and best practices for English Language Learners. These presentations and workshops help us understand who our students are so we can better support them with individual counseling, curriculum design, and instructional practices.

There are three days dedicated to districtwide professional development in the 2020-2021 school year. There were four days of professional development in the 2019-2020 school year, and five days in the 2018-2019 school year. In addition, there is professional development happening on the school campus through professional learning communities, where teachers meet to discuss best practices while assessing student work.
