School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Westwood Elementary School is located in the Santa Clara Unified School District (SCUSD). It was established in 1957.

Throughout the years, Westwood has grown into a total of sixteen (16) self-contained classrooms. Twelve (12) classrooms that support a learning environment of 27:1 ratio (grades K-3) and six (4) classrooms that support a learning environment of 30:1 ratio (grades 4-5). In addition to the self-contained classrooms, Westwood houses five (5) preschool special education classrooms. Also housed on campus are an EIBI (Early Intensive Behavioral Intervention) Center, an OT (Occupational Therapy) Center, a PIP (Primary Intervention Program) room, a counseling room, and a resource room. Westwood also houses SCUSD's preschool assessment team. In addition, there is a speech therapy room, a multi-purpose auditorium, a library, an onsite extended daycare program, and two computer labs. Westwood serves students from preschool through fifth grade.

The median income of the families at Westwood ranges from low income to middle income. There is a large percentage of single-parent families, working mothers, and/or two working parents. Many of the parents work within, or slightly outside of Silicon Valley. To meet the needs of these working families, Westwood offers an extended day program.

One unique feature of Westwood is its native forest. This forest consists of native Californian trees and shrubs that were planted by parents in 1961. The forest is mostly still thriving today.

Westwood's population is of diverse cultures and ethnicities. As such, staff have had the opportunity to create a positive and safe environment for students of all cultures, ethnicities, and academic abilities. The mainstream enrollment consists of economically, ethnically, socially, and academically diverse students. We consider this to be a strength, as our students have enjoyed a living microcosm of positive intercultural relationships. Having a student population that collectively speaks 26 different languages shapes our instructional program. The two dominant languages spoken by our children are English and Spanish. At the time of this report, 25% of our students qualified for ELD services, 36 students are receiving special education services, 5 students are supported by a 504 plan in grades K-5, and approximately 35% of our students receive free or reduced priced meals.

Members of the Westwood staff consist of approximately thirty certificated teachers including classroom teachers, the special education preschool classroom teachers, two resource specialists, a 25% reading teacher, a wellness coordinator, a 40% speech language specialist, a 20% school counselor, a 40% Primary Intervention Program (PIP), and a 40% school psychologist. The K-5 teaching staff is supported by three resource paraeducators, one physical education instructor and paraprofessional (grades K-5), a school secretary, an attendance clerk, a 5 hour/week health assistant, two and a half custodians, a library media assistant, two food service persons, numerous playground supervision persons, and maintenance personnel. All regular education classroom teachers are CLAD (Cultural Language Acquisition Development) certified. Our special education preschool classrooms are also supported by 10 paraprofessionals.

Westwood has a very active PTA (Parent Teacher Association) and School Site Council (SSC), which provide financial assistance and leadership to the school programs. Westwood PTA host various fundraisers including an annual Fall Festival, Red Ribbon Week, Stories Under the Stars, SCRIP, and eScrip programs. In addition, parents run the book fairs, help with yard duty, volunteer in our garden plots, and plan activities for teacher appreciation week. Many also volunteer for numerous tasks throughout the school year as needed.

Westwood Mission Statement

Westwood Elementary School is an inspired partnership of diverse staff, parents, students, and community, dedicated to creating a safe environment, setting high academic standards for all students, developing the social skills necessary to become a successful citizen, and providing continuous learning opportunities for all community members.

Westwood Philosophy

Westwood School is a professional organization. By setting high expectations and standards, and by providing rigorous academic programs and a focused approach, it is our intent and our belief that students can and will succeed. The Westwood Community is a cadre of lifelong learners who are committed to creating a successful elementary school experience for all students. The entire community collaborates to provide opportunities for creativity, problem-solving, and critical thinking. Through our school goals, students learn to be respectful, be safe, be responsible, and be a problem solver. Students learn to be dedicated students and productive citizens.

WESTWOOD COMMUNITY

Westwood is a community of engaged students, staff and families. We are responsible for one another, the students, and the families of our community. This sense of community guides us in our work.

We have four guiding agreements for our community. In keeping with our mascot, the wildcat, we practice the Westwood P.A.W.S.: Be Peaceful, Be Aware, Be Wise, and always Be Safe.

We Are Peaceful

We peacefully respect and support every individual, both publicly and privately, by working with students, parents, and staff to help one another be a successful member of our community.

We build peaceful communities by teaching our students how to behave, catching our students doing the right thing and holding them accountable when they do not make a good choice.

We communicate openly, respectfully, and timely with parents and each other.

We listen while others speak and use “I” messages to share our feelings and how it affects us. We think about possible solutions to solve and work out problems.

We treat others with respect and remind ourselves to be peaceful problem solvers.

We Are Aware

We provide children with a safe, secure and nurturing environment through a strong, consistent discipline plan, school-wide agreements, and caring adults who are aware of their responsibility for all students.

We are a family at Westwood and we share responsibility for all students while supporting one another.

We work collaboratively to improve student achievement, learn new procedures, methodologies, techniques, and to tackle school-wide issues.

We Are Wise

We are a community that believes in what we can do for kids. We base our decisions on common sense and what is best for kids, and we work together to help our students succeed.

We Are Safe

We hold the students’ safety as our most important priority.

We create a learning environment that fosters and supports the students’ emotional, physical and mental well-being.

We share the responsibility for the safety of all students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

General

Santa Clara Unified School District (SCUSD) takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, SCUSD uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available by request made to the SCUSD's Facilities department at (408) 423-2061.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Maintenance and Repair

SCUSD maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The governing board has adopted cleaning standards for all schools in SCUSD, Board Policy 3514. The policy can be found online at www.santaclarausd.org/BoardPolicies. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance

SCUSD participates in the State School Deferred Maintenance Program to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

Modernization Projects

SCUSD strives to be a model of financial responsibility, making every effort to spend taxpayer dollars wisely. At the same time, ongoing bond programs are necessary in a district this large, with so many students, teachers, and facilities needs. Bond funds allow the District to maintain safe, modern school facilities and bring in updated technology essential to student achievement. Measure B 1997 improvements included new elementary school play structures, new high school science classrooms and outdoor athletic facilities, the major renovation of eleven elementary schools, an ambitious roof replacement program, and two high school performing arts buildings. Measure J 2004 generated funds to modernize buildings and classrooms for middle schools, high schools, and the adult education campus. Measure H 2010 upgraded fire, safety and security systems, renovated and reopened a closed elementary school, installed solar panels to decrease energy costs, purchased the Agnews campus property, and expanded overcrowded schools. Measure H 2014 funds construction of three new schools on the Agnews campus, expands overcrowded schools, and addresses critical facility needs such as replacing roofs and adding air conditioning to elementary school classrooms. Measure BB 2018 funds the construction of three new schools, reconstructs fields, replaces aging play structures and playground paving, adds shade structures, and upgrades fencing and gates, among many other crucial projects. More: www.santaclarausd.org/bond

Age of School Buildings

Westwood was originally built in 1954. Portables were added in 1997 and 2001. In 2002, two wings were demolished and rebuilt, and the remainder of the school was modernized. There are 38 classrooms, a library, a multi-purpose room, and an administration building.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: June 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Westwood is fortunate to have a supportive parent group population, which participates in School Site Council, PTA, classroom volunteering, Project Cornerstone, and many school events, including fundraising. Parents are given the opportunity to participate in school activities and volunteer in the classroom. Community communication is through classroom newsletters, parent/teacher e-mails, our PTA board, the school website, monthly PTA newsletters, and our bi-monthly ROAR Report (school newsletter). Every Wednesday a folder goes home with every student with important information for parents. Our teachers welcome parent participation in their classrooms, and we honor all our campus volunteers through our annual Westwood Volunteer Tea.

Westwood has a strong PTA presence! The PTA is a group of parents, teachers, administrators, and community members that have one overall goal... to enrich the education of all students here at Westwood to the best of our abilities! In a typical year, the PTA sponsors or coordinates things like field trips, the Fall Festival, Teacher reimbursements for classroom supplies, welcome breakfast for kinder families, Red Ribbon Week, Bring Your Family to School Week, our science and art enrichment programs, book swaps, the book fair, end of the year field day, and so much more!

PTA is an advocacy group. We are here to amplify community voices when it comes to our children's education. We stay connected with both parents and the school to make sure that at all times our children's best interests are at the top of every list. We are here to support the well being of every single student at Westwood. Every year, the PTA budgets over \$30,000 in funds that directly support the activities mentioned above. That is almost \$75 per student funded by the PTA each year. We understand the financial constraints of raising children and strive to avoid as many of the traditional fundraisers as possible. In a typical year, our fall festival and silent auction kick off the year and along the way we might sell some cookie dough and maybe hold a raffle or two. Donations are also always welcome!

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.0	N/A
Expulsions	0.0	0.0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

All California public schools kindergarten and grades one through twelve must develop a comprehensive school safety plan, per California Education Code sections 32280-32289. School safety plans assess school climate and safety, identifying goals and actions to improve safety and climate. The safety plan is written and developed with collaboration from students, parents, community, and law enforcement. It is reviewed and updated annually with the School Site Council (SSC).

We are committed to providing a safe, responsible and respectful school environment for all students, staff, and community. We support and promote building a sense of community and belonging where every child feels included and valued, teaching children positive social skills and attitudes including resolving conflicts without violence, and preparing for and responding appropriately to emergencies and disasters to keep children safe.

The school safety plan is available for review in the school office and was approved by the School Site Council in 2020.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	4	3

Staff development activities and expenditures are tied to district and school goals including the SPSA, WASC, LCAP, and District Strategic Plan. Staff development time continues to support teachers in self-reflection, analysis of student achievement data, and collaboration activities designed to help reach achievement goals. We believe in modeling lifelong learning for our students by engaging in collaborative sessions and professional development opportunities that align with the school's School Plan for Student Achievement (SPSA) goals and support student achievement in content standards and Expected Schoolwide Learning Results (ESLRs). District and school staff development programs support meeting the academic, social, and emotional needs of all students by providing opportunities for teachers to advance their skills, develop teaching strategies, and create curriculum. During staff in-service days, teachers share information about instructional practices, cognitive development and learning disabilities, and best practices for English Language Learners. These presentations and workshops help us understand who our students are so we can better support them with individual counseling, curriculum design, and instructional practices.

There are three days dedicated to districtwide professional development in the 2020-2021 school year. There were four days of professional development in the 2019-2020 school year, and five days in the 2018-2019 school year. In addition, there is professional development happening on the school campus through professional learning communities, where teachers meet to discuss best practices while assessing student work.
