Measure J-2004: As Approved by voters on November 2, 2004 under the following ballot statement:

"To rehabilitate middle and high schools, improve student safety and qualify for State matching funds, shall Santa Clara Unified School District make seismic upgrades to classrooms and schools, add school facilities to relieve overcrowding, and repair deteriorated plumbing, sewers, bathrooms, leaky roofs, aging boilers, inadequate heating, electrical and building systems; by issuing \$315,000,000 of bonds at legal interest rates, with independent citizen oversight, no money for administrative salaries, and all money staying in our community to improve local schools?"

Measure H-2010: As approved by voters on November 2, 2010 under the following ballot statement:

"To upgrade school fire, safety and security systems, renovate and reopen closed schools, install solar panels to decrease energy costs and save money for classrooms, acquire sites for future schools and expand overcrowded schools; shall the Santa Clara Unified School District issue \$81.1 million in general obligation bonds, at interest rates within legal limits, subject to an annual audit and with an independent citizens' oversight committee?"

Measure H-2014: As approved by voters on November 4, 2014 under the following ballot statement:

"To repair or replace deteriorating roofs, plumbing and wiring, remove asbestos, lead and hazardous materials; to upgrade outdated classrooms and career training facilities to support 21st century learning and prepare students for college and careers; to acquire, renovate, construct/equip classrooms and facilities to relieve overcrowding and attract quality teachers, shall the Santa Clara Unified School District Issue \$419 million In bonds at legal rates, with independent citizen oversight, no money for administrators and all money staying local?"

Measure BB-2018: As approved by voters on November 6, 2018 under the following ballot statement:

"To construct classrooms, labs, and school libraries to support student achievement, college readiness, and career training in math, science, engineering, technology, and arts; acquire, renovate, construct and equip facilities to improve older schools; to fix deteriorating roofs, plumbing and electrical systems, shall Santa Clara Unified School District issue \$720 million in bonds, raising approximately 5 cents/\$100 of assessed value (\$45 million annually) for 32 years to improve local schools, with independent citizen oversight, and all money staying local?"
